

Business Summer Programme

21 JUNE – 18 JULY 2020

AT GIRTON COLLEGE, CAMBRIDGE

www.girton.cam.ac.uk/summer-programmes/business

The Girton College Business Summer Programme

21 JUNE – 18 JULY 2020

This intense four-week academic summer programme will give ambitious students in the field of business the extraordinary opportunity to experience Cambridge student life in the context of a programme specifically designed for high-achieving students.

Girton College is one of the larger constituent colleges of the University of Cambridge. The College's beautiful buildings, excellent facilities and spacious grounds are located just outside the city centre, and Girton is well known for its relaxed and friendly atmosphere – the perfect place in which to meet like-minded students from around the world.

Academic programme

All students will take a business course comprising three modules in business topics such as finance, strategy and leadership. Students will have a minimum of 45 hours of contact time in lectures and seminars, and they will receive a grade for the work they complete at Girton.

Social programme

A varied social programme organised by Cambridge students is offered to help participants experience Cambridge to the full. Day trips to London and Oxford are also included as part of the programme.

College life

Students will live in accommodation on the main Girton College site, and all rooms are single occupancy study bedrooms with shared bathroom facilities. In addition to a cafeteria meal plan, students will have a welcome buffet on arrival, experience a traditional English Afternoon Tea, and attend two Formal Halls. A series of evening talks will help participants to appreciate Cambridge and its history.

For more information visit www.girton.cam.ac.uk/summer-programmes/business and contact Dr Nick Godfrey, the Director of Summer Programmes, at summer@girton.cam.ac.uk with any questions, or to simply register your interest in this or future programmes.

Engineering Summer Programme

19 JULY – 15 AUGUST 2020

AT GIRTON COLLEGE, CAMBRIDGE

www.girton.cam.ac.uk/summer-programmes/engineering

The Girton College Engineering Summer Programme

19 JULY – 15 AUGUST 2020

This intense four-week academic summer programme will give ambitious students in engineering the extraordinary opportunity to experience Cambridge student life in the context of a programme specifically designed for high-achieving students.

Girton College is one of the larger constituent colleges of the University of Cambridge. The College's beautiful buildings, excellent facilities and spacious grounds are located just outside the city centre, and Girton is well known for its relaxed and friendly atmosphere – the perfect place in which to meet like-minded students from around the world.

Academic programme

All students will take an engineering course comprising four modules in cutting edge engineering topics in which research at Cambridge has been particularly influential, such as nanotechnology, jet engines, and quantum technologies for example. Students will have a minimum of 45 hours of contact time, and they will receive a grade for the work they complete at Girton.

Social programme

A varied social programme organised by Cambridge students is offered to help participants experience Cambridge to the full. Day trips to London and Oxford are also included as part of the programme.
