BA ENGLISH AND FINANCE

The interdisciplinary BA English and Finance programme combines English language and finance 50-50 with the aim of producing graduates who have an excellent command of English and a critical awareness of the use of language in a financial context.

CAREERS

Graduates from this programme will be well-prepared for positions such as administrative, managerial, accounting and consultancy positions within international organisations, as well as professional translator or interpreter.

Graduates may also choose to go onto further study in the areas of English language and finance.
