You are the future entrepreneur, scientist, architect, engineer, diplomat, researcher, educator or executive in our increasingly global environment. You have a passion to understand other cultures and become a citizen of the world. We want you.

At Xi’an Jiaotong-Liverpool University you will find an international community of learners in the heart of China’s economic miracle – and opportunities found nowhere else on Earth. XJTLU will help you develop into a global citizen with the skills, knowledge, abilities, temperament and tenacity to succeed in today’s highly competitive and fast-changing world.

We look forward to welcoming you to XJTLU.
XI’AN JIAOTONG – LIVERPOOL UNIVERSITY

XJTLU IS A PIONEERING, INTERNATIONAL JOINT VENTURE UNIVERSITY LOCATED IN THE CITY OF SUZHOU. THE UNIVERSITY IS PROUD OF ITS FOCUS ON RESEARCH-LED LEARNING INHERITED FROM ITS TWO PARENT INSTITUTIONS: THE UNIVERSITY OF LIVERPOOL, UK, AND XI’AN JIAOTONG UNIVERSITY, CHINA.
Students earn two degrees: The XJTLU degree from the Chinese Ministry of Education and the globally recognised degree from the University of Liverpool.

Founded in 2006, XJTLU is the largest international collaborative university in China, combining the best of east and west.

Study sciences, technology, engineering, mathematics, architecture, design and planning, language and culture, media and communications, business, finance or economics.

Over 10,000 students and 500 academic staff from 50 countries...and counting!

China’s equivalent of Silicon Valley, a hub of global business and innovation just 25 minutes from Shanghai, sits alongside stunning 2,500 year-old UNESCO World Heritage gardens.
XJTLU currently has more than 30 degree programmes at undergraduate level in the areas of engineering, science, architecture and design, mathematics, business, management, language, communication and culture.

Depending on their programme, students may choose to study for four years onsite at XJTLU in Suzhou, or study at XJTLU and then transfer to the University of Liverpool in the UK for the final two years of their degree.

Regardless of their study route, full-time undergraduate students receive dual degrees upon successful completion of studies.

The quality of our degree programmes is ensured by means of a rigorous quality assurance system established in line with the requirements of the British Quality Assurance Agency, supported by high-calibre academic staff and world-renowned scholars recruited from both China and the rest of the world.

BEng ARCHITECTURE
An education at XJTLU brings with it not only outstanding academic opportunities, but also the chance to expand one’s horizons socially and culturally.

XJTLU students study hard, but they also lead full and ambitious lives between classes. Student clubs and societies play an important role at XJTLU with more than 120 organisations centred on art, sports, entrepreneurship, social service, academia and science to name but a few.

XJTLU hosts a model United Nations, and the Student Union plays an active role in shaping campus life and academic experiences. We also have an arts centre that gives students the opportunity to get involved in a range of creative activities. The campus has its own student enterprise park where students can try starting their own businesses or simply enjoy the shops and services.

You’ll also have the chance to travel through China’s vast and beautiful landscape and experience the depth of its ancient culture.

AWARD-WINNING CAMPUS

The XJTLU campus provides state-of-the-art teaching, laboratory, research and support facilities.

This includes the award-winning Central Building, which houses the fully-resourced XJTLU Library.

In addition to the world-class science and engineering laboratories, design and media studios, and communications laboratories, our campus also has conference facilities, tennis and basketball courts, a sports field and track, and a variety of catering facilities.
INTERNATIONAL STUDENT SUPPORT

The XJTU Global team provides a range of services to help make your experience at XJTU go as smoothly as possible. XJTU Global is the first service point for all international and Hong Kong, Macao and Taiwan students at the University.

VISA AND ACCOMMODATION

AIRPORT MEET-AND-GREET
XJTU Global organises a pick-up service for all new international students arriving in China at Shanghai Pudong airport. This service is available during three days of welcome week.

INDUCTION
The induction activities aim to familiarise you with the local area and campus. You will have the opportunity to meet current students during this time, as well as at various social events and societies and clubs introductions.

ENGLISH LANGUAGE SUPPORT
The Language Centre provides continuing support courses to help you with any English language and study skills issues you may find during your studies. Continuing support focuses on academic literacies, study skills, and learning techniques, helping you to bridge the gap between English study and academic subject-specific study.

CHINESE CLASSES
The Language Centre also provides free Chinese language classes to all full-time international students delivered by our globally recognised Language Centre.

CAREER SERVICES
The Career Development Office provides students with support in preparing for successful future careers and assists with work placements and job searches. Their services include lectures and seminars, CV and cover letter advice, workshops on interview techniques, business plans, and career planning. The office also arranges external mentoring with industry professionals as well as maintaining a careers library with books and journals on career planning, together with IT resources to help you with your post-graduation job search.

ALUMNI
When you graduate from XJTU, you will not only join a growing network of XJTU alumni, but you will also become a member of the global community of more than 100,000 University of Liverpool alumni in over 130 countries.

“Life at XJTU is truly amazing. With extremely warm and friendly staff as well as the locals, it’s not hard to absolutely love what this university and this city has to offer. Life has never been this good.”

CAREERS AND EMPLOYABILITY

Our location in Suzhou Industrial Park, which houses more than 5,000 international enterprises and Fortune 500 companies, means XJTLU students have numerous job opportunities after they graduate.

XJTLU graduates work at institutions and enterprises including the ‘Big Four’ accounting and consulting firms, foreign-owned banks, financial institutions, foreign-owned manufacturing and developing firms, and large and medium-sized state-owned enterprises. They also receive offers of employment from around the world with companies such as Bosch, Uber, Amazon, China Telecom, Q-Game, HENKEL and Singapore National Grid.

GRADUATE DESTINATIONS
In 2015, our graduates found employment in the following sectors:
- Technology or engineering (43.73 percent)
- Finance services (30.74 percent)
- Marketing, consulting, business trade, supply chain management: (13.86 percent)
- Education, health and government: (7.79 percent)
- Communications, tourism, media and other (3.89 percent).

ENTREPRENEURSHIP
Among those who start work immediately upon graduation, some students choose to start their own company and develop their own products. Our International Innovation Hub provides funding for student business ideas as well as support for proof-of-concept work, business incubation, and collaboration opportunities.

"At XJTLU in addition to gaining skills and knowledge, you discover who you are – a questioner, a problem solver, a dreamer, and a free spirit. Having graduated, I am now working at an architecture practice in Shanghai and I will soon undertake my masters at Bartlett (UCL) in London."

CAREER CENTRE SYSTEM
Learn about internships, job postings, career activities, student entrepreneurship programmes, external mentor projects and more through our Career Centre System.

EXTERNAL MENTOR PROGRAMME
Through our external mentor programme we invite experienced professionals from various companies to act as mentors to provide guidance on the various skills that are necessary for students’ future career development.

FURTHER STUDY AROUND THE WORLD
Of the first six cohorts of undergraduates, over 80 percent continued further studies (masters and PhD) abroad, with 10 to 15 percent entering world top 10 universities and more than 50 percent receiving offers from universities ranking in the world top 100.
“I originally planned to study in the UK, but I thought that studying in China would provide more job opportunities, that it would be good to experience the market in China first-hand and also learn Chinese. XJTLU is a great place and you can get degrees from both Liverpool and XJTLU. There’s a real international atmosphere, making it easy to make friends from different countries. The scholarship opportunity made the decision to join XJTLU an easy one.”
