2026 XJTLU MASTER'S PROSPECTUS

Xi'an Jiaotong-Liverpool University

西交利物浦大學

XJTLU

Welcome new students

XI'AN JIAOTONG-LIVERPOOL UNIVERSITY

Xi'an Jiaotong-Liverpool University (XJTLU) is an international joint-venture university founded by Xi'an Jiaotong University in China and the University of Liverpool in the UK. As a Sino-foreign cooperative university, it captures the essence of both parent universities and is the largest of its kind approved by China's Ministry of Education. XJTLU is located in Suzhou, a city that has been known as "Paradise on Earth". Since its establishment, XJTLU's unique educational philosophy and high-quality talent development have been widely recognized by society and it has been acclaimed as a "benchmark for Sino-foreign cooperative universities" and a "pathfinder in the reform of higher education in China."

UNIVERSITY OF LIVERPOOL

The University of Liverpool was established in 1881 and granted a Royal Charter in 1903. As a prestigious comprehensive public university in the UK, it was the first "Red Brick University" and a distinguished member of the Russell Group, which comprises 24 leading research-intensive institutions in the UK, including the University of Oxford, the University of Cambridge, and Imperial College London.

ABOUT XJTLU & MASTER'S PROGRAMMES

01

Successful completion of the programme will lead to a globally recognised degree awarded by the University of Liverpool.

02

The programme duration is 1.5 to 2 years, with generous entry scholarships of up to 100% of the total programme tuition fees.

03

Rigorous quality assurance system, with multiple programmes and disciplines accredited by prestigious international academic and professional bodies.

04

All programmes are taught in English, enhancing students' professional competence, global perspective, and cross-cultural communication skills.

05

A comprehensive and diversified support system for employment, entrepreneurship and innovation significantly enhances graduates' global competitiveness.

06

Strong industry connections, with some programmes offering Industry joint cultivation pathways and opportunities to engage in cutting-edge research projects.

07

Situated in the Suzhou Industrial Park, a hub of global innovation, XJTLU benefits from proximity to Fortune 500 companies, offering students ample internship and job opportunities.

08

Over 90% of our faculty members have overseas work or study experience, creating a highly globalized academic and campus environment.

MASTER’S PROGRAMME LIST

School/Academy	Programme	Tuition (CNY)	Duration	English Requirement (IELTS)	Academic Background and Others
School of Mathematics and Physics	MSc Actuarial Science	150,000	18 months Full-time	6.5 (5.5)	Bachelor Degree in Mathematics and Applied Mathematics, Statistics, Data Science, Finance, Insurance or related disciplines with a strong mathematical background.
	MSc Financial Mathematics	180,000	18 months Full-time	6.5 (5.5)	Bachelor Degree in Mathematics, Statistics, Physics, Engineering, Computer Science, Finance, and Economics or related disciplines.
	MSc Data Science*	200,000	24 months Full-time	6.0 (5.5)	Bachelor Degree in Mathematics, Statistics, Computer Science, Data Science, Finance or related disciplines. Professional experience in these fields will also be considered.
	MSc Applied Mathematics*	180,000	18 months Full-time	6.5 (5.5)	Bachelor Degree in mathematics or related disciplines.
	MRes Medicinal Chemistry*	200,000	24 months Full-time 36 months Part-time	6.0 (5.5)	Bachelor Degree in Pharmaceutical Sciences, Chemistry, Chemical Engineering, Biological Science, Medicine, Materials Science, Pharmaceuticals, Food Science or related disciplines. Professional experience in relevant fields will also be considered.
XJTLU Wisdom Lake Academy of Pharmacy	MRes Pharmaceutical Sciences**	200,000	24 months Full-time 36 months Part-time	6.0 (5.5)	This programme offers five pathways: Pharmaceutical Science, Regulatory Science, Pharmaceutical Management, Artificial Intelligence Drug Discovery and Development (AIDD), Clinical Pharmacy. Bachelor Degree in Pharmaceutical Sciences, Chemistry, Chemical Engineering, Biological Science, Medicine, Materials Science, Computer Science, Bioinformatics, Management, Biopharmaceuticals, Food Science or other medicine/ pharmacy related disciplines. Professional experience in relevant fields will also be considered.
	MSc Applied Statistics (Biostatistics)*	200,000	24 months Full-time	6.0 (5.5)	Bachelor Degree in Mathematics and Data Analysis related disciplines such as Statistics, Applied Mathematics, Economics, or in Health-related disciplines such as Epidemiology, Clinical and Preventive Medicine, Biomedical Sciences. Professional experience in relevant fields will also be considered.

School/Academy	Programme	Tuition (CNY)	Duration	English Requirement (IELTS)	Academic Background and Others
Academy of Film and Creative Technology	MSc Cultural and Creative Industries (Taicang)^	200,000	24 months Full-time	6.5 (5.5)	Bachelor Degree in Media, TV, Film and Arts related majors, New Media, Creative Media, Advertising, Public Relations, Game Design, Digital Media Arts, Fine Arts, Digital Media Technology, Animation, Cultural Industry Management, Tourism, Music, Museology, Product Design, Visual Communication or other cultural and creative industries-related disciplines. Professional experience in relevant fields will also be considered. Applicants may submit supplementary materials such as work experience in cultural and creative industries, a portfolio of creative works and/or employer references related to professional practice in the relevant fields.
	MSc Artificial Intelligence*	200,000	24 months Full-time	6.5 (5.5)	Bachelor Degree in Computer Science, Electronic Engineering, Internet of Things (IoT), Digital Media Technology, or other STEM related disciplines.
	MSc Digital Business^	200,000	24 months Full-time	6.5 (5.5)	This programme offers three pathways: Digital Supply Chain,Digital Finance,Digital Marketing. Bachelor Degree in Finance, Accounting, Business, Economics, Management, Supply Chain, Marketing, Science, Engineering, and other related disciplines.
XJTLU Entrepreneur College (Taicang)	MSc Advanced Robotics Systems**	200,000	24 months Full-time 36 months Part-time	6.0 (5.5)	Bachelor Degree in Electrical Engineering, Mechanical Engineering, Manufacturing Engineering, Robotics, Industrial Engineering, Computer Science, and other related disciplines.
	MRes Advanced Microelectronic Technology and Materials**	200,000	24 months Full-time	6.0 (5.5)	Bachelor Degree in Electrical Engineering and Electronics, Materials Science, Engineering, and other related disciplines.
	MSc Intelligent Engineering Science and Industrial Operations**	200,000	24 months Full-time 36 months Part-time	6.0 (5.5)	Bachelor Degree in STEM related disciplines in a non-STEM discipline with relevant experience.

School/Academy	Programme	Tuition (CNY)	Duration	English Requirement (IELTS)	Academic Background and Others
XJTLU Entrepreneur College (Taicang)	MSc Entrepreneurship and Innovation^	200,000	24 months Full-time 36 months Part-time	6.5 (5.5)	This programme offers eleven pathways: Business and AI Innovation, Sustainable Solutions and Inclusive Technology, Creative Technology, Enterprise Governance, Innovation and Succession, Venture Investments, Smart Cities, Technology Transfer Management, Strategic Human Resources Management, Intelligent Robotics, Global Public Health, Smart Ageing and Health Management. Bachelor Degree in any discipline. Priority consideration will be given to candidates with entrepreneurial experience or at least one year of professional experience in engineering, management, or investment. In the personal statements, applicants are required to outline their industry interests, motivation for pursuing the programme, preferred industry sectors, and career aspirations.
XJTLU International Business School Suzhou	MSc Management	180,000	18 months Full-time 30 months Part-time	6.5 (5.5)	Bachelor Degree in Business related disciplines is preferred.
	MRes Management	200,000	24 months Full-time	6.5 (6.0)	Bachelor Degree in Business, Economics, Management, Accounting, Finance, Science, or Engineering and other related disciplines.
	International MBA (IMBA) ^	320,000	24 months Full-time	6.5 (5.5)	Bachelor Degree in any discipline plus 5 years professional work experience (management experience is preferred). Non-standard applications will be considered on a case-by case basis, management experience is required.
	MSc Finance	180,000	18 months Full-time	6.5 (5.5)	Bachelor Degree in Finance, Accounting, Economics, Management, Science, Engineering, or related disciplines, with knowledge of quantitative analysis methods, statistics, or econometrics.
	MSc Economics and Finance	180,000	18 months Full-time	6.5 (5.5)	Bachelor Degree in Finance, Economics, Mathematics, Statistics, or related disciplines.

School/Academy	Programme	Tuition (CNY)	Duration	English Requirement (IELTS)	Academic Background and Others
XJTLU International Business School Suzhou	MSc Business Analytics	180,000	18 months Full-time	6.5 (5.5)	Bachelor Degree in Finance, Accounting, Marketing, Economics, Management, Science, Engineering, or related disciplines. Prior knowledge of Econometrics, Statistics, or Operations Research, and programming (Python, Matlab, R,Stata) are preferred.
	MSc Investment Management	180,000	18 months Full-time	6.5 (5.5)	Bachelor Degree in Finance, Mathematics or related disciplines. Professional experience coupled with knowledge of quantitative analysis methods, statistics, or financial mathematics will also be considered.
	MSc Project Management	180,000	18 months Full-time 30 months Part-time	6.5 (5.5)	Bachelor Degree in any discipline.
	MSc Operations and Supply Chain Management	180,000	18 months Full-time 36 months Part-time	6.5 (5.5)	Bachelor Degree in any discipline. Backgrounds or work experience in management, engineering, mathematics, science or closely related fields are preferred.
Academy of Future Education	MSc Professional Accounting	180,000	18 months Full-time	6.5 (5.5)	Bachelor Degree in Accounting,with at least four passes in the ICAEW Certificate in Finance, Accounting and Business (CFAB) examinations, or equivalent exempted status granted by ICAEW or ACC. Bachelor Degree not in Accounting, but holding a complete CFAB certificate (or equivalent exempted status) will also be considered. Bachelor Degree not in Accounting, but with relevant professional experience is required to submit supporting documentation of accounting/finance industry training and work experience, applications under this category will be evaluated on a case-by-case basis.
	MA Child Development and Family Education	180,000	18 months Full-time 30 months Part-time	6.5 (6.0)	Bachelor Degree in Psychology, Psychology in Education, Education, Teaching, Social Work, Child and Family studies, English or related disciplines. Backgrounds in Psychology or Education are preferred.
	MA Global Education	180,000	18 months Full-time 30 months Part-time	6.5 (6.0)	Bachelor Degree in any discipline. Professional experience in educational institutions is preferred.
	MSc Digital Education	200,000	24 months Full-time 36 months Part-time	6.5 (6.0)	Bachelor Degree in any discipline, may include but not limited to Computer Sciences, Information Technology, Education, International Relations, Human Resources, Psychology or related disciplines. Backgrounds related to Computer Science or professional experience in educational institutions is preferred.

School/Academy	Programme	Tuition (CNY)	Duration	English Requirement (IELTS)	Academic Background and Others
Design School	MSc Urban Planning	150,000	18 months Full-time	6.5 (5.5)	<p>This programme offers three pathways: Urban Regeneration, Urban Design, Landscape Design.</p> <p>Bachelor Degree in Urban Planning, Urban Design, Architecture, Landscape Design, Environmental Design, Interior Design, or Industrial Design or related disciplines. Applicants with an undergraduate degree in other fields will be assessed on a case-by-case basis. Applicants for the Landscape Design and Urban Design pathways are required to submit a design portfolio showcasing 4–8 representative projects.</p>
	MDes Industrial Design	200,000	24 months Full-time	6.5 (5.5)	Bachelor Degree in Industrial Design, Engineering, Architecture, Urban Planning and Design or other design-related disciplines. Applicants are required to submit a design portfolio (A3 size, typically 10-30 pages in PDF format).
	MSc Construction Management^	150,000	18 months Full-time 36 months Part-time	6.5 (5.5)	Bachelor Degree in Civil Engineering or related disciplines.
	MArch Architectural Design	200,000	24 months Full-time	6.5 (5.5)	Bachelor Degree in Architecture or related disciplines such as Urban Design, or Landscape Architecture. Applicants are required to submit a creative portfolio (A3 size, typically 10-30 pages in PDF format). Relevant internship or work experience in architecture industry is preferred.
	MSc Sustainable Building Design and Engineering^	150,000	18 months Full-time 36 months Part-time	6.5 (5.5)	Bachelor Degree in Civil Engineering or related disciplines.
	MSc Civil Engineering **^	150,000	18 months Full-time 36 months Part-time	6.5 (5.5)	Bachelor Degree in Civil Engineering or related disciplines.
	MSc International Professional Practice in Architecture^	150,000	18 months Full-time 36 months Part-time	6.5 (5.5)	Bachelor Degree in Built Environment, Architecture or related disciplines.

School/Academy	Programme	Tuition (CNY)	Duration	English Requirement (IELTS)	Academic Background and Others
School of Advanced Technology	MSc Multimedia Telecommunications*	180,000	18 months Full-time	6.0 (5.5)	Bachelor Degree in Telecommunications Engineering, Electronic Science and Technology, Electrical Engineering, Computer Science and Technology or related disciplines.
	MRes Low Carbon Electrical Power and Energy Technology*	200,000	24 months Full-time	6.0 (5.5)	This programme offers two pathways: Power Systems, Semiconductors. Bachelor Degree in Electrical Engineering, Electronic Science and Technology, Telecommunications Engineering, Computer Science and Technology, Mathematics, Semiconductor Physics, Automation and Control, Embedded Systems, Engineering Thermal Physics or related disciplines.
	MRes Computer Science*	200,000	24 months Full-time	6.5 (5.5)	Bachelor Degree in Computer Science or related disciplines. Professional experience in relevant fields is preferred.
	MSc Financial Computing	180,000	18 months Full-time	6.0 (5.5)	Bachelor Degree in Computer Science, Information Systems or related disciplines. Professional Experience in programming and program design are preferred.
	MSc Sustainable Energy Technology *	180,000	18 months Full-time	6.0 (5.5)	Bachelor Degree in Electrical Engineering, Electronic Science and Technology, Telecommunications Engineering, Computer Science and Technology, Mathematics, Semiconductor Physics, Automation and Control, Embedded Systems, Engineering Thermal Physics or related disciplines.
	MRes Pattern Recognition and Intelligent Systems*	200,000	24 months Full-time	6.0 (5.5)	Bachelor Degree in Digital Media Technology, Electrical Engineering, Computer Science and Technology, Software Engineering, Robotic Systems or related disciplines.
	MSc Human-Computer Interaction*	180,000	18 months Full-time	6.0 (5.5)	Bachelor Degree in Computer Science, Artificial Intelligence, Software Engineering, Communication Engineering, Mechanical and Automation Engineering, Cybersecurity or related disciplines. Professional experience in these fields is preferred.

School/Academy	Programme	Tuition (CNY)	Duration	English Requirement (IELTS)	Academic Background and Others
School of Advanced Technology	MSc Social Computing*	180,000	18 months Full-time	6.0 (5.5)	Bachelor Degree in Computer Science, Engineering, Information Systems, E-commerce, Mathematics or related disciplines., with some programming and program design experience.
	MSc Applied Informatics*	180,000	18 months Full-time	6.0 (5.5)	Bachelor Degree in Computer Science, Computer Engineering, Automation, E-commerce, Financial Mathematics or related disciplines.
	MRes Molecular Bioscience*	200,000	24 months Full-time	6.0 (5.5)	Bachelor Degree in Life Science or related disciplines.
	MRes Advanced Chemical Sciences *	200,000	24 months Full-time	6.0 (5.5)	Bachelor Degree in Chemistry, Chemical Engineering, Materials Science, Medicinal Chemistry or related fields.
	MRes Materials Science and Engineering *	200,000	24 months Full-time	6.0 (5.5)	Bachelor Degree in Engineering or science related disciplines.
School of Science	MRes Bioinformatics*	200,000	24 months Full-time	6.0 (5.5)	Bachelor Degree in Bioinformatics, Biological Sciences, Medical Sciences, Biomedical Engineering, Physics, Computer Sciences, Mathematics, Biostatistics, Data Sciences, Artificial Intelligence or related disciplines.
	MRes Environmental Sciences	200,000	24 months Full-time	6.0 (5.5)	Bachelor Degree in Ecology, Environmental Science, Environmental Engineering, Agriculture, Forestry, Grassland Science, Plant Protection, Nature Protection and Environmental Ecology, Soil and Water Conservation and Desertification Control, Chemistry, Materials Science and Engineering, Biology (Botany, Zoology, Physiology, Microbiology), Atmospheric Science, Geography (Physical Geography, Human Geography, Geographic Information Systems), Architecture (Urban Planning, Urban Design, Landscape Architecture), Design (Environmental Design), Hydraulic Engineering (Hydrology and Water Resources, Hydraulics and River Dynamics), Geology (Hydrogeology), Remote Sensing Science and Technology, Computer Science and Technology, Statistics, Data Science, and other majors with a passion for environmental science and ecology.

School/Academy	Programme	Tuition (CNY)	Duration	English Requirement (IELTS)	Academic Background and Others
School of Humanities and Social Sciences	MA International Business and Global Affairs	180,000	18 months Full-time 36 months Part-time	6.5 (6.0)	Bachelor Degree in International Relations, Economics, Business and Management or cognate disciplines.
	MA International Relations^	180,000	18 months Full-time 36 months Part-time	6.5 (6.0)	Bachelor Degree in International Relations, Political Science, Communications Studies, Sociology, Law, Economics, History, Philosophy, Management, International Studies, Area Studies, or cognate disciplines.
	MSc Media and Communication	180,000	18 months Full-time	7.0 (6.0)	Bachelor Degree in Communication, Media, English, English with Media or similar disciplines. Professional experience in media-related fields is preferred.
	MA Applied Linguistics (with specialization in multilingualism)	180,000	18 months Full-time	6.5 (6.0)	Bachelor Degree in Language and Applied Linguistics are preferred. Background in Sociolinguistics, Communication Studies, ethnography, Political Science, Anthropology or other humanities and social science-related disciplines will be considered on a case-by-case basis.
	MA TESOL	180,000	18 months Full-time	7.0 (6.0)	Bachelor Degree in English, Language, Education, Literature or related disciplines. No prior teaching experience is required; however, relevant teaching experience in secondary or higher education is preferred.
	MA China Studies	180,000	18 months Full-time	7.0 (6.0)	Bachelor Degree in any discipline.

ENGLISH LANGUAGE REQUIREMENT

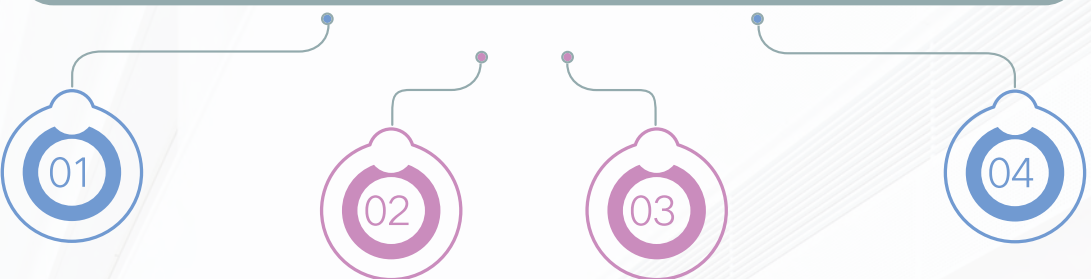

XJTLU accepts onsite IELTS (Academic), TOEFL iBT, and PTE (Academic) as the English language proficiency tests for applicants applying for the 2026 intake Masters programmes, with tests completed no earlier than 1 January 2024. Please refer to the equivalence table below for accepted English qualifications.

Main Recognized English Exams XJTLU Equivalence Table

IELTS (academic)	5.5 (min 5.0 in all skills)	6.0 (min 5.0 in all skills)	6.0 (min 5.5 in all skills)	6.5 (min 5.5 in all skills)	6.5 (min 6.0 in all skills)	7.0 (min 6.0 in all skills)	7.0 (min 6.5 in all skills)
PTE (academic)	58 (min 54 in all skills)	60 (min 54 in all skills)	60 (min 58 in all skills)	62 (min 58 in all skills)	62 (min 60 in all skills)	69 (min 60 in all skills)	69 (min 62 in all skills)
TOEFL (IBT)	72 (min 15 in all skills)	80 (min 15 in all skills)	80 (min 18 in all skills)	90 (min 18 in all skills)	90 (min 21 in all skills)	100 (min 21 in all skills)	100 (min 23 in all skills)

ENGLISH LANGUAGE EXEMPTION REQUIREMENTS

Applicants will qualify for an exemption from the English language requirement if one of the following applies:

The applicant is a national of a majority English-speaking country: Antigua and Barbuda, Australia, Bahamas, Barbados, Belize, Canada, Dominica, Grenada, Guyana, Ireland, Jamaica, Malta, New Zealand, St Kitts and Nevis, St Lucia, St Vincent and the Grenadines, Trinidad and Tobago, USA, UK

The applicant has fully completed or is completing a degree in a majority English-speaking country (Chinese joint venture programmes are not included). The degree shall be conferred no earlier than 1 January 2024.

The applicant has fully completed or is completing a degree that has been taught and assessed in English (Chinese joint venture programmes are not included), and the degree shall be conferred no earlier than 1 January 2024 with an English proficiency letter issued by the institution.

The applicant has completed or is completing a degree from one of the universities listed below. The degree shall be conferred no earlier than 1 January 2024: Xi'an Jiaotong-Liverpool University, University of Nottingham Ningbo China, New York University Shanghai, Wenzhou-Kean University, Duke Kunshan University, The Chinese University of Hong Kong, Shenzhen, Beijing Normal-Hong-Kong Baptist University, Guangdong Technion-Israel Institute of Technology

Note: If the applicant qualifies for an English language exemption and provides a valid IELTS, TOEFL iBT or PTE score when submitting application, the university will assess it as the evidence of English proficiency.

PRE-SESSIONAL ENGLISH (PSE) COURSE

If applicants miss the English language requirements by 0.5 of an overall IELTS band but meet the language requirements for the Pre-session-al English (PSE) Course (including the minimum component scores or equivalents), they may be accepted onto the 6-week full-time or 12-week part-time PSE course subject to Programme Director's approval. If their IELTS score is 1.0 band below the programme requirement (limited to certain programmes) but meets the language requirements for the PSE course (including the minimum component scores or equivalents), they may be accepted onto the 12-week full-time PSE course subject to Programme Director's approval. Upon successful completion of the PSE course, they will be able to change their XJTLU Master's offer letter to 'Unconditional' for the English level.

Note: 1. The English language requirement for Pre-sessional English (PSE) Course in each Master's programme is the minimum requirement. Meeting the minimum requirement does not guarantee a successful application for the Pre-sessional English (PSE) Course. 2. The 12-week part-time Pre-sessional English (PSE) Course is only available for September entry programmes.

MINIMUM ENTRY REQUIREMENTS

SCHOLARSHIPS

• Entry Scholarship:

XJTLU offers partial entry scholarships of 20%, 30% or 50% of the total programme tuition fee to applicants of all full-time Master's programmes based on academic merit.

A full scholarship will be considered for a few applicants with outstanding academic merit and research potential for Masters of Research Programmes. The awardees' tuition fees will be fully waived.

Applicants from the following MRes programmes are eligible for the full scholarship application:

- o MRes Advanced Chemical Sciences
- o MRes Advanced Microelectronic Technology and Materials
- o MRes Bioinformatics
- o MRes Computer Science
- o MRes Environmental Sciences
- o MRes Low Carbon Electrical Power and Energy Technology
- o MRes Management
- o MRes Materials Science and Engineering
- o MRes Medicinal Chemistry
- o MRes Molecular Bioscience
- o MRes Pattern Recognition and Intelligent Systems
- o MRes Pharmaceutical Sciences

Currently, there is no scholarship available for part-time programmes.

• **The XJTLU Masters ‘BRI Friendship’ scholarships** are offered to international students from countries on China’s Belt and Road Initiative, international students from XJTLU’s partner universities (please contact pgadmissions@xjtlu.edu.cn for the detailed list), or international students who live in the Chinese mainland at the time of application, in recognition of the contribution these students make to the international environment of XJTLU’s campus.

The ‘BRI Friendship’ scholarships will be awarded up to the value of 30% of the total programme tuition fee.

• **Government Talent Selection programme for students studying the Masters in Sustainable Building Design and Engineering:** the aim of this scholarship is to create the next generation of civil engineering professionals to support infrastructural development, especially through the Belt and Road Initiative. This government scholarship will waive the full tuition fee and provide a basic living allowance to support students during the 18-month programme, including free Chinese language classes.

• **Alumni discount:** graduate of XJTLU, the University of Liverpool or Xi’an Jiaotong University will automatically receive a discount of 20% of the tuition fee. Alumni discount could not be accumulated with the above scholarships.

Note: The above scholarships and discounts will be granted according to the highest applicable amount and cannot be accumulated.

Scholarships Application deadline(for the 2026 September intake)

5 pm Beijing Time, 1 June 2026

HOW TO APPLY

All applicants should apply via our online application system. To begin, simply choose your programme on our website and click the “Apply” button. You will then be prompted to create an account, complete the application form, upload the required documents and submit. You may save and re-log in to your application form at any time and upload any remaining supporting documents.

APPLICATION DOCUMENTS CHECKLIST :

- o Personal statement
- o Full official academic transcripts of your studies with the University’s stamps and grading system
- o University degree certificates (if received) or Enrolment Status Letters (if you are a graduating student)
- o English qualification certificate (IELTS Academic, TOEFL iBT, PTE Academic or equivalent)
- o Two academic referees contact information
- o A CV
- o China’s Hong Kong, Macao, Taiwan student: copies of your Passport (information page) and Mainland travel permit
- o International student: copy of your Passport (information page)

Application deadline (for the 2026 September intake)

5 pm Beijing Time, 15 June 2026

Note: A few programmes offer a February intake, the application deadline is

5 pm Beijing Time, 15 November 2025.
