My Submissions for AAB2024

Using the submission author environment you can view or manage your submissions to AAB2024. Note that new submissions are disabled.

To **view or update your existing submission** click on the corresponding "view" icon.

Additional information about submission to AAB2024 can be found at the [AAB2024 Web page](#).

Questions about submissions can be sent to the conference contact email Jiawen.Han@xjtlu.edu.cn.

Please note that if you do nothing (not even click on the menu) for more than two hours, your session will expire and you will have to log in again.

Conference programme management

Here you will be addressed into the Conference interface

- 1) Under “My Talk”, you can find your talk information (like session arrangement, your chair) and/or check/update your presentation information (like abstract, keywords, presenters etc...).

1 AAB2024 (program author) - PROGRAM [Docs](#) / [Log out](#)

[My Talk](#) [My Profile](#) [All Talks](#) [Sessions](#) [Schedule](#) [Help](#) [Conference](#) [News](#) [Alerts](#) [EasyChair](#)

[Update slides](#)
[Publish preprint](#)
[Add author](#)

This talk has slides uploaded to EasyChair. To make them linked from the conference program and publish them on the EasyChair Smart Slide pages, you should submit them for publishing. To **access these slides or update or publish them** click on "Update slides" in the upper right corner.

You can **publish a preprint** related to your talk. If you do so, it will be published in EasyChair Preprints and linked from the conference program. To upload and publish a preprint, click on "Publish preprint" in the upper right corner.

To **edit information about the talk** click on the right column of the talk table or use the menu in the upper right corner.

To **edit information about an author** or **delete an author** click on the appropriate cell in the authors table.

1 Talk

Use of colors: information can be updated, information either cannot be updated or can only be updated by program managers.
