

## **Trump's Reelection and World Politics: Regional and Global Perspectives**

**28 November 2024, 13:00 Location HS436**

Donald J. Trump's reelection to the US presidency could potentially shake-up the very foundations of international politics and economics. A panel of faculty members from INS will hold a round table discussion about the impact a new Trump administration will have on critical world regions and global issues.

### **Members of the Panel:**

**Dr. Debora Malito:** Moderator

**Dr Andrej Krickovic:** The General Direction of US Foreign Policy and the War in Ukraine

**Prof: JI You:** China and the Asia Pacific

**Dr. Mohsen Solhdoost:** The Middle East

**Dr. Filippo Giurlando:** Europe and NATO

**Dr. Robert Pauls:** The Global Economy
